The Classic Creek

President's Report

The HSRCA Eastern Creek Meeting was run in perfect conditions and our Group generally enjoyed close racing with good-sized fields. It was pleasing to see so many faces turn up for the Appendix J prize giving on Sunday at lunchtime. Thanks to the Phil's [Taylor and Barrow] Troy Williams and Barry Jessop for making this possible. It was also pleasing not to see any club incident report forms being filled out.

Bruce Smith had an off in turn one on Saturday afternoon which saw him taken to Westmead for further checking. He returned as a spectator on Sunday. Victorian David Moran had a meeting with the tyre wall at 5 when his Mustang's throttle jammed open, reports are that he was released and went home later, bruised but OK. Both complained of neck injury and I hate to say so but in my opinion a HANS type device is one of the best investments you can have.

FROM HSRCA MAY NEWSLETTER: **Group No incident:** An expensive incident occurred on track that started off as a complaint, but was discussed and ultimately relegated to being agreed as a racing incident by both drivers involved.

After the meeting, a subsequent email complaining to the Committee was sent by a third party about this same incident. The Committee wishes to remind all drivers (and supporters) that any incident at a race meeting should be reported to the track Officials ON THE DAY of the meeting, for best and proper review and outcome resolution, as is required by the CAMS NCRs. Such resolution is part of an Official's job and training. This is outside the responsibilities of the Committee and is purely actionable by the race officials of the day.

Members should be aware that they are responsible for the actions of their crew and associates in the pit areas at historic race meetings. We don't race for sheep stations, so let's aim to keep things civil when dealing with issues that may cause our blood to boil.

The ARDC [they run Eastern Creek] have advised that to make race weekends easier for competitors, Tender vehicles with the required sticker properly attached to the windscreen will now be encouraged by their security people to drive straight into the paddock without delay.

CAMS upgraded website has been launched and members can now access their details online via the "Members Portal" Go to www.cams.com.au

Just click on Members area, then on Members Portal, enter your CAMS ID [CAMS license number] and your password. Bingo up comes your mug shot!

Our annual race numbers auction is coming up at next weeks June General Meeting! Make a note in your diary now for Tuesday 1st of June, there's bound to be some spirited bidding with 9, 11, 12, 32, 33, 69, 78, 94 & 99 amongst the list up for grabs. More will be added to these closer to the date. Non financial members, or those who haven't competed in a club point score round during the last two [2] years will find their one or two digit race number being made available at auction as per the rules. No impassioned pleas will be allowed; it's in the club rules. If you can't get there on the night ask a mate to attend and bid for you!

Cheers

Acting President

HSRCA Group 'N' Registrar & Secretary's Report & General Meeting Minutes, May 2010

Secretary's Report

Tasman Revival Eastern Creek November 26th-28th

Planning of the Tasman Revival meeting is well advanced. It will again be a 3 day meeting.

Most competitors should have received an entry form by email. There is an excellent web site

www.tasmanrevival.com.au dedicated to this event. A number of Group N cars feature on the site.

It is well worth a look.

My contact details are listed on the inside front cover of this magazine. **Dominic Truelove**

General Meeting Minutes - 4th May 2010

Meeting commenced at 8.03pm.

Attendance: 27 members signed the book.

Apologies: Ross Muller, Phil Taylor, Warren Bossie

Visitor: Julie Williams [*Action-Line* Editor]

Acceptance of Minutes: [as published in *Action-Line*] Bruce Smith, Chris Dubois

Matters Arising: None

President's Report: We currently have no president.

Vice President's Report: Dave reported on the HSRCA meeting at Eastern Creek advising a successful event well run by Clerk of Course Terry Thompson. He commented on two major incidents in our category. Bruce Smith [MG Magnette] collided with the wall on the exit of turn 1. David Moran [Mustang], a visitor from Victoria, went into the tyre wall at turn 5.

This second incident caused a major delay in proceedings resulting in Nb and Nc being combined in the final race on Sunday. Both drivers were taken to hospital but were released quickly with only minor injuries. Spencer Rice was thanked for assisting David Moran's wife in sorting out the car etc.

Dave mentioned the one day meeting at Wakefield Park on Friday 14th May.

He also advised there will be a Race Numbers Auction at the June general meeting.

The Winton Historic meeting at end of May will be run under a AASA licence not CAMS.

Continued next page

Next General Meeting

Tuesday June 1st at Denistone Sporting Club, 59 Chatham Road, West Ryde. Phone 02 9874 3650.

Our May General Meeting, as you will see from the minutes, was well attended with formalities completed quickly allowing those present time to watch some old video footage and engage in conversation with other members.

Members are urged to attend and offer input such that we can improve our club.

Club President: Dave Roberts is currently filling the role since Warren Bossie's resignation. He does not have the time to fill more than one role. Your committee is looking to revamp the committee.

If you think you can be of assistance please talk to us.

Membership renewals were due as of 31st December 2009. Those who have not renewed will no longer receive the magazine.

Race Numbers: The numbers Auction will be held at the June general meeting. See a list elsewhere in the magazine of one and two digit numbers available. Be at the meeting if you wish to bid.

These are available due to not being used by a member during the past 2 years or membership not being renewed. The committee will be again requesting promoters to use our list when allocating numbers.

HSRCA Group 'N' Registrar's Report

HSRCA Race Calendar 2010

Wakefield Park September Historic Meeting

Eastern Creek November Tasman Revival

HSRCA Eastern Creek May 1st-2nd

Entries from our group were excellent. There were separate grids for Na/Nb and Nc for the first time in many meetings. Two unfortunate incidents, Bruce Smith [MG Magnette] and David Moran [Mustang], delayed proceedings resulting in Nb and Nc being combined for the final race on Sunday. Both were single vehicle accidents resulting in both drivers being conveyed to hospital.

The drivers were released quickly with relatively minor injuries. The Na cars had their final race with J,K,L.

HSRCA Group 'N' Registrar & Secretary's Report & General Meeting Minutes, May 2010 (cont'd)

General Meeting Minutes (cont'd)

Secretary's Report: Correspondence was tabled for members to peruse.

This included magazines from Vic and WA, info from WP re the Friday meeting in May, CAMS re CARnival and updated info on Muscle Car masters.

HSRCA: Next race meeting Wakefield Park 18th-19th September. HSRCA committee has been again approached regarding allocation of race numbers.

Treasurer's Report: Brian handed up his report which is published elsewhere in this edition. He advised there were 3 renewals on the nite.

Eligibility: Warren Bossie was not in attendance.

CAMS: Our delegate Lionel Walker is overseas. David Roberts offered to attend the next meeting as we are one of the club's who has voting rights.

AHTCA: Troy Williams is now our delegate. He advised little is happening with this association.

Pointscore/Competition: As published in Magazine. Troy again advised flagging attracts points. Let him know if you perform this duty.

General Business: Bruce Smith advised that whilst in the medical centre following his accident he was approached by a CAMS official waving a form under his nose seeking to cancel his racing licence. It would seem this action was somewhat inappropriate in the circumstances.

The driver of the meeting award at EC [\$200.00 towing voucher donated by Johnson Towing] went to Bob Harris. As Bob is from ACT and has his own towing facilities he passed the award on to Laura Kennedy.

Raffle: Prizes as supplied to the club by Total Race Supply and Services at discounted prices.

Towing Strap. Won by Dave Roberts.

Race Socks. Won by Darren Burnes.

The meeting closed at 8.25 pm.

2010 Pointscore

Groups Na(Pre 1958) Nb(59-64) & Nc(65-72)

Points are awarded to financial members only, and cover the three categories, Na, Nb, Nc. The six best results will determine the final outcome. Class placings (as per CAMS Manual) are awarded points as follows;

Class*:	1st	2nd	3rd	4th	5th	6th
6+ starters	18	15	12	9	6	3
5 starters	17	14	11	8	5	
4 starters	15	12	9	6		
3 starters	13	10	7			
2 starters	11	8				
1 starter	9					

- Outright results count as 6+ starters (1st, 2nd, 3rd)
- Points are divided by the number of scratch races held at each meeting.
- 3 Points are allocated for entering and participating in a meeting
- 1 bonus point is allocated for the fastest lap in each class over the entire meeting.
- Members flagging at a pointscore round are allocated—
- 10 points per day, subject to a maximum of 30 points – written notification must be received by Troy Williams. (tw@twmotorsport.com or club meeting)

Memorandum to CAMS Members & Clubs From the President

I am pleased to announce the appointment today, of Mr David Morgan as the new Chief Executive Officer of CAMS. He will commence duties officially in June.

With extensive experience in successfully leading complex organisations, David was previously the General Manager of Australia's largest chemical trading and distribution business, Chemnet Australia. He spent more than 20 years in various roles at Orica (formerly ICI Australia) of which Chemnet is a business unit. Currently he is consulting in the Mining Services industry.

David comes to CAMS with a wide ranging background in strategic negotiations, financial and general management and the progressive, proactive administration of risk and safety hazards.

In his previous roles he has not only had to deal with many complex, time-critical and often dangerous situations. He has also dealt with often-conflicting interest groups and stakeholders. He has been responsible for, and delivered on, large strategic and financial initiatives.

David also shares with us an enthusiasm for motor sport and motoring in general. His interest in motor sport began with his father, a motor mechanic by trade, who loved racing at Mallala. Recently, David has restored a 1968 E Type Jaguar which he proudly takes on outings around Melbourne, where he, his partner Kate and their twin 12 year old sons live.

As your President, I would like to share with you the exhaustive and detailed process that was undertaken in David's recruitment as our new CEO.

CAMS engaged the highly respected recruiting firm of Talent2 to perform the search to specific guidelines. For the first time, these guidelines were drafted from input received from each and every State Sport and Club Development Council Chairman. They stressed to me the importance of the new CEO being able to relate to and understand the CAMS membership and its requirements. I advised this requirement to your Board members who in turn supported and endorsed this priority.

Talent2 was briefed by CAMS on the Board's expectations of the CEO role based on the feedback from the Chairmen of the State Sport and Development Councils and from Board members.

A national advertising campaign attracted almost 100 applicants, whose applications were reviewed by Talent2 with a view of selecting a "long list". As part of this process Talent2 interviewed a large number of the applicants to arrive at a "long list" of 8.

These 8 candidates were then interviewed on a face-to-face basis by a selection sub-committee comprising representatives of the Board and Talent2. The interviews took place over a 2 day period and were extremely detailed and probing. They focussed on the potential of the candidate to actively engage with our members and stakeholders and to deliver to CAMS the outcomes it has prioritised in its Corporate Plan.

Following this, the selection sub-committee arrived at a "short list" of 3 very qualified candidates, who were then, over the period of a day, interviewed by the entire Board and also subjected to a battery of various tests, reference and other checks.

The Board then reconvened and unanimously resolved to appoint David Morgan to the role of CEO.

David has told us that his first priority is to understand what it is that you, our members, want and need from this confederation and from those of us who serve it. With that in mind he will be spending a significant part of his first months in office, ascertaining and documenting the views of our members and stakeholders.

I ask that you join me in welcoming David to the CAMS team and in wishing him a long and successful career with our organisation.

Yours sincerely,

Andrew Papadopoulos

2010 Australian MUSCLE CAR MASTERS

SUNDAY SEPTEMBER 5 - EASTERN CREEK RACEWAY

50TH ANNIVERSARY CELEBRATION

AMC's annual Father's Day celebration of Australia's unique muscle car heritage returns to Sydney's Eastern Creek Raceway. 2010 marks 50 years since creation of the Australian Touring Car Championship, so we're gearing up for a very special '50 Years of Touring Cars' anniversary bash!

DINE WITH THE LEGENDS

The AMCMasters Legends Dinner returns in 2010 with a special '50 Years of Touring Cars' theme. Hosted by Will Hagon, this year's guest speakers span five decades of Australian touring car racing, including KEVIN BARTLETT, JOHN HARVEY, ALLAN GRICE, JOHN BOWE & GLENN SETON. Enjoy a three-course meal sharing tall tales and true stories from our legendary past. [Download Details and Booking Form >](#)

ATCC 50TH ANNIVERSARY HANDICAP RACE!

This is a one-off race in which we're inviting one example of every type of car that has won the ATCC up to the end of the 1990s, to compete on a handicap basis. The grid will be made up of four groups of race cars each representing a decade of ATCC winners - the '60s, '70s, '80s and '90s.

[Download Information Sheet >](#)

FEATURED MUSCLE MARQUES

As part of our '50 Years of Touring Cars' theme, the AMCMasters is doing things differently in 2010. Instead of highlighting the usual two or three marques, this year we're inviting a wide variety of different makes and models of Aussie muscle

cars (and some European and Japanese brands, too) that have helped weave together the rich fabric of Australian touring car racing over the past five decades. [More >](#)

1970s MUSCLE CAR MATCH RACE REVIVAL

As part of our '50 years of Touring Cars' celebration, Father's Day's program will feature a series of match races that will recreate similar events that were staged between pairs of Series Production Falcon GT-HOs, Torana XU-1s and Charger R/Ts at Sydney's Amaroo Park in the early 1970s.

[Download Information Sheet >](#)

From the Editor's Desk

Winter is definitely upon us.....I'm sitting here working on the magazine in my (very unsexy) woolly socks and flannel dressing gown. Every girl has one you know guys; even though they won't admit it, and they just don't parade around in them when anyone else is about. Bad for one's image and all that.

While I love doing the magazine, my brain and the Internet are not infinite sources of information. I would love to hear from **you** about anything you would like to see in the magazine. Just shoot me an email or even a phone call (my details are on page 3) and let me know what you'd like to see. If there's something you want some information about I'm happy to do some research on your behalf as well. Just drop me a line.

Enjoy the cooler weather, and don't forget to wear your woollies.

Jules

A sign of the times.....

The math teacher saw that Larry wasn't paying attention in class.

She called on him and said, 'Larry! What are 2 and 4 and 28 and 44?'

Larry quickly replied, 'NBC, FOX, ESPN and the Cartoon Network!'

The Airport Solution.....

Here's a solution to all the controversy over full-body scanners at the airports.

Have a booth that you can step into that will not X-ray you, but will detonate any explosive device you may have on you.

It would be a win-win for everyone, there would be none of this hassle about racial profiling and this method would eliminate a long and expensive trial. Justice would be swift. Case closed!

This is so simple that it's brilliant. I can see it now: you're in the airport terminal and you hear a muffled explosion. Shortly thereafter an announcement comes over the PA system, "Attention standby passengers we now have a seat available on flight number....."

Works for me!
