# President's Report

A short rave from me this month as I am moving house and don't have much spare time!

Thank you to all those members who turned up to last months General Meeting for the Race Numbers Auction. We managed to raise over \$2300 for the club and the new owners can be seen in the sheet later in this magazine. Congratulations to the lucky bidders! These numbers have been forwarded to HSRCA, FoSC & ARDC as the preferred numbers for race meetings in NSW. A copy has also been sent to HTCAV who will endeavour to accommodate us when racing down south.

The club now has received entry stickers [thanks Terry Thompson] for the CMC Display Day at Eastern Creek on 22/8/10. This is a great opportunity for members to promote both the club and Historic Motor Racing. Entrants get to do display laps behind a pace car and help educate the public as to what Appendix J is all about. If you need a free entry call me or Dominic.

The CAMS survey mentioned in the minutes seems to have mysteriously disappeared off the web!

Upcoming events are Morgan Park on 3 & 4 July, Wakefield's 6 hour Regularity on 10 & 11 July, FoSC at Wakefield on 7 & 8 August and Historic Winton on 13 & 14 August..

The Appendix J Association's Annual General Meeting is coming up on Tuesday 3rd August. Included this month and in the next *Action-Line* are Nomination and Proxy forms for electing your new committee members. Try to get involved here, the club is only as good as the input from it's members and those dedicated few on Committee!

See you trackside soon,

**David Roberts,**  
*Acting President*

## FYI - Speed on Tweed Returns

The rumours are true and the organising committee of Speed on Tweed is now pleased to announce that the iconic Festival of Speed on Tweed will be returning to the streets of Murwillumbah in 2010.

Running from 10th-12th September this year, the non-profit community event will again be run by the Rotary Club of Murwillumbah in conjunction with Rally Australia who became shareholders of the renowned event after reviving the festival in 2009.

"We are thrilled that Speed on Tweed will be returning to the spotlight once more and are looking forward to turning on a festival similar to that which ran in 2008" says event spokesperson Bill Larkin .

"We have always had high numbers in attendance in the past and we are hoping that the many spectators that attended the event in previous years will return to see the spectacle that is Speed on Tweed. I'm sure nobody will leave dissatisfied after seeing some of the most famous cars and drivers in Australia's racing history in action and absorbing our unique festival atmosphere".

The theme for this year's event has been decided as 'Australian Specials' and it is hoped that this theme will assist in attracting a number of the country's finest, classic all-Australian race cars to participate in the festival.

Although no schedule for the event has yet been released, plans are in full swing, the Friday and Saturday night events are back and competitors are already knocking on the doors of organisers as they wait with great anticipation for entries for the 2010 event to open.

# HSRCA Group 'N' Registrar & Secretary's Report & General Meeting Minutes, June 2010

## Secretary's Report

### Next General Meeting

**Tuesday July 6<sup>th</sup>** at Denistone Sporting Club, 59 Chatham Road, West Ryde. Phone 02 9874 3650.

Our June General Meeting, as you will see from the minutes, was very well attended with formalities completed quickly. The auction of 1 and 2 digit numbers obviously increased attendance. As can be seen

from the report attached to the minutes there was spirited bidding for some of the numbers.

Members are urged to attend our general meetings and offer input such that we can improve our club.

**Club Committee:** Election time is coming closer. Dave Roberts is doing a terrific job standing in as President, co-ordinating production of *Action-Line* and performing numerous other duties. However, with other personal commitments he cannot continue much longer. Your club needs you. If you think you can be of assistance please talk to us.

## HSRCA Group 'N' Registrar's Report

### HSRCA Race Calendar 2010

- \* Wakefield Park September Historic Meeting
- \* Eastern Creek November Tasman Revival

### Wakefield Park 18<sup>th</sup>-19<sup>th</sup> September

This meeting is still some months away and unfortunately only two weeks after Muscle Car Masters.

Despite the proximity to MCM we are hoping for a reasonable grid of Group N cars.

Entries will be posted shortly or available from the HSRCA web site [hsrca.org.au](http://hsrca.org.au)

Keep in mind this is a pointscore round.

### Tasman Revival Eastern Creek November 26<sup>th</sup>-28<sup>th</sup>

Planning of the Tasman Revival meeting is well advanced. It will again be a 3 day meeting.

Most competitors should have received an entry form by email. There is an excellent web site

[www.tasmanrevival.com.au](http://www.tasmanrevival.com.au) dedicated to this event. A number of Group N cars feature on the site.

It is well worth a look.

Please support the HSRCA as it is the promoter who offers us the most opportunities to race our cars.

My contact details are listed on the inside front cover of this magazine.

**Dominic Truelove**

## General Meeting Minutes - 1st June 2010

Meeting commenced at 8.11pm.

**Attendance:** 39 members signed the book.

**Apologies:** Barry Jessop, John Sorraghan, Greg Luca

**Acceptance of Minutes:** [as published in *Action-Line*] Terry Thompson, Bruce Smith.

**Matters Arising:** None

**President's Report:** We currently have no President.

**Vice President's Report:** Dave Roberts passed around a sample "info card" for comment by members. This idea resulted from the drama at Eastern Creek following the David Moran accident. David was taken to hospital and there was no information available to assist in getting his transporter, trailer and race car sorted out. This card would carry the necessary info.

The ongoing saga of Paul Axiak v Cam Worner is to go to a CAMS tribunal next month. CAMS is running a road safety survey with free AGP tickets on offer. Tony Cavanah from Wakefield Park has advised of a 6 hour relay race in June. FoSC will hold a meeting at Wakefield Park 7<sup>th</sup>/8<sup>th</sup> August. There is a historic meeting at Winton long circuit on 13<sup>th</sup>/14<sup>th</sup> August. Details for Muscle Car Masters are still being discussed with Phil Harrison of ARDC.

The club has purchased 12 CMC display day tickers for 22<sup>nd</sup> August.

**Secretary's Report:** Correspondence was tabled for members to peruse.

This included magazines from Queensland, WA and ARDC.

There have been 2 emails from potential members interested in running Toranas.

**HSRCA:** Next race meeting Wakefield Park 18<sup>th</sup>-19<sup>th</sup> September.

HSRCA committee has been again approached regarding allocation of race numbers. This matter was discussed at their most recent meeting and it would appear our numbers will be used in future.

Terry Thompson had tickets available at the meeting for the HSRCA Raffle.

The prize being a Trip for 2 to Goodwood Revival valued at \$17,000.

**Treasurer's Report:** Brian handed up his report, which is published elsewhere in this edition.

**Eligibility:** Warren Bossie was not in attendance.

## General Meeting Minutes, June 2010 (cont'd)

**CAMS:** Dave Roberts advised Doreen Butchers would like to attend and address our members re the new CAMS Portal.

**AHTCA:** Troy Williams is now our delegate. He advised little is happening with this association.

**Pointscore/Competition:** As published in Magazine. Troy again advised flagging attracts points. Let him know if you perform this duty.

**General Business:** Michael Kennedy requested permission to address the meeting. He raised concerns regarding an incident at Eastern Creek involving his son Daniel. He is upset by the lack of action taken by the stewards. Terry Thompson, who was Clerk of Course at the meeting advised the matter had been handled by the driving standards observer Kevin Bartlett. A letter from KB indicated the matter had been resolved. Dave Roberts advised no incident report had been received by the club. TT advised the matter should have been escalated with officials on the day.

TT also advised of a CMC event at Kembla Grange Museum on 13<sup>th</sup> June.

CMC has granted membership to the Isuzu Car Club the president of which is long time member Tom Amos.

Bruce Smith spoke regarding HANS devices. He suggested we should invite Michael Henderson to a meeting to discuss this and other safety issues.

Andrey Pursey gave a brief report on the Astor Motel meeting held recently at Wakefield Park.

**Raffle:** Prizes as supplied to the club by Total Race Supply and Services at discounted prices.

Ratchet straps - won by Martin Macri.

The meeting closed at 8.44 pm.

The annual race numbers auction was then held.

13 one and 2 digit numbers were offered. 10 sold and 3 were passed in.

Results are as follows.

# Race Report - 34th Historic Winton

## 34<sup>th</sup> Historic Winton

The wet stuff returned to Winton after several successive years of glorious weather. Thankfully snorkels and flippers were not required by those without a garage in the Jurassic-era paddock like they were some time ago, although gumboots would have been handy. A wet track for practice gave way to slightly drier conditions for racing on Saturday afternoon with the threat of rain prompting some to roll the dice by gridding up with wets under the car.

### Nb

Lindsay Siebler started his newly acquired ex Greg Maluire Cooper S on pole in race one and led all the way on a damp, greasy track to take a narrow win from Nick Cascone (Cortina) who pushed hard all the way. Phil Reynolds (Mini) bagged third after jumping eventual fourth place finisher Henry Draper early on with Jason Armstrong (Mini) fifth after overcoming Len Read (Mini) who was struggling with a few niggles in the #5. Ian Pringle (Mini) was almost alongside at the finish in seventh with Colin Doolan (Cortina) next then the amazing Imp of Jerry Lenstra who started back in 16<sup>th</sup>. Paul Zazryn (Mk. II Jag) rounded out the top ten.

Imp power returned for the handicap with Mick Stupka taking the win from Linda Devlin (Mini) who drove an outstanding race to take second. Helen Lindner (Mini) also drove a great race and looked set for a podium until a half spin at the esses put paid to that. Anthony Ramadge was third from fellow Mini men Pete Melick and Rob Ford.

Siebler again got the jump for the final scratch race but was soon caught and passed by a resurgent Draper who went on to add yet another Winton Historic victory to his long and distinguished record. Armstrong set fastest lap on his way to second place in front of Siebler with Cascone fourth. Zazryn was an excellent fifth after pulling off a great move by getting past Reynolds, Ramadge, Read and Pringle in one go as the four Minis argued amongst themselves exiting turn one. Pringle ended up sixth then Read, Ramadge, Reynolds and Darren Burns (Mini).

### Nc

Pole man Wayne Seabrook (Porsche) hooked up nicely to leap into an early lead while the RX-2s of Jason Humble and Ben Read rocketed off the line on a very cold track under threatening skies. A clash between the Toranas of Gary Edwards and Alf Bargwanna at the sweeper put the former out whilst the latter retired after a few laps with overheating following the crash damage. Rob Burns (Charger) reeled in Humble and moved into second which is where he finished behind the winner Seabrook. Mick Donaher (Camaro) climbed to third after qualifying 11<sup>th</sup> with Humble fourth then Russell Pilven (Datsun 1600) who had to hang on hard after his wets went squishy after the predicted rain failed to materialise. Read was next then Tony Hubbard (Camaro), Rod Hotchkin (Falcon), Michael Hibbert (Charger) and John Bourke (Torana).

The handicap got off to an unfortunate start and just got worse. The red flag came out after Donaher lobbed in the sand on the outside of turn one. More delays followed with the Brendan Hare Capri overheating and stalling a fate that also befell Hubbard after the field formed up again. After the lengthy delays a decision was made to start the race in one group instead of at the handicap intervals which would have pushed the whole event even further behind. On lap three the Chris Ralph BMW was thrown into a series of violent rolls midway through the sweeper, scattering the field and bringing the red flags out. Humble and several other drivers immediately pulled over and rushed to check on Chris who was shaken but thankfully unharmed save for a suspected cracked rib. The Bimmer was totally destroyed.

A reduced final scratch race saw Burns take a close win over Seabrook with the Charger looking very neat and tidy around the tight confines of the short circuit. Donaher was third in front of Hubbard who pushed extremely hard, setting the fastest lap in his pursuit of his fellow Chev pilot but lost ground after several lurid slides exiting the esses. Hibbert was fifth then the incredible Datto of Pilven followed by Fraser Ross in the ex Drew Marget '68 Mustang in his first visit to Winton in the former Biante Series race winner. Ross started 14<sup>th</sup> and will be one to watch. Bourke was eighth then Hotchkin and Peter Burchell (Mustang) who just held out Leo Tobin (Mustang) at the finish.

MOTOR RACING GOULBURN

**An event proving so popular with club motorsport enthusiasts in Victoria is to be staged at Wakefield Park in July this year.**

### **2010 Wakefield Park 6 Hour Relay Regularity 10 – 11 July**

The Wakefield Park 6 Hour Relay Regularity is a motorsports event specifically formulated to give club members or individuals a chance to form teams of drivers and pit crew to compete against other teams – not as a race but rather as a Regularity styled event. Therefore outright speed is not the major factor in winning.

- Each team must consist of a minimum of 3 cars and 4 drivers, up to a maximum of 6 cars and 6 drivers.
- Each team driver nominates a target lap time which they believe can be consistently maintained.
- If the driver goes quicker than their nominated lap time, the lap doesn't count, if they achieve their nominated lap time, they get the lap plus a bonus lap and if they are slower than their nominated time, they only receive the lap.

Most cars are eligible (open wheel cars not accepted) and only require normal safety equipment needed at a sprint meeting (ref. The Supplementary Regulations for the event).

The event is open to all holders of AASA Club Licenses, Wakefield Park Licenses, and CAMS LZs Licenses.

Circuit Information - Wakefield Park is a 2.2km racing circuit located 2 hours drive from Sydney and about 1 hour from Canberra, and is positioned 10km south of Goulburn on 130 acres of cleared land. There are no trees or natural obstacles near the track. Safety is paramount and ripple strips, tyre walls and gravel traps have been positioned so as to make Wakefield a very safe circuit on which to run any type of motorsport event.

For more information and entry details visit our web site [www.wakefieldpark.com.au](http://www.wakefieldpark.com.au) or phone (02)48222811.

# From the Editor's Desk

Hi Guys,

Everyone ready for FoSC at Wakefield? It will be upon us before you know it...so, **do not** forget to pack your thermals; that place is cold enough to freeze your where you stand. I'll be there, playing go-fer for the commentary team as usual. Hope to catch up with you sometime over the weekend.

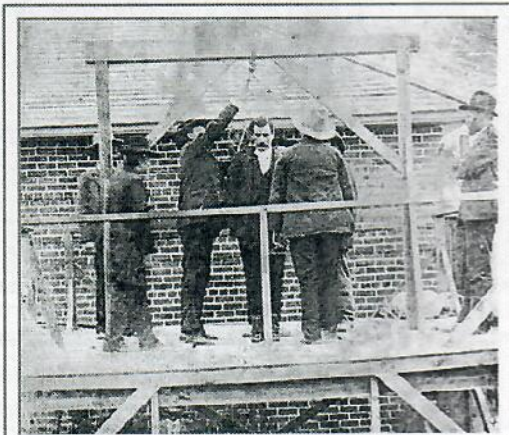

**Cheers & keep safe,**

## Australian Way

No matter what side of the AISLE you're on, THIS is FUNNY and VERY telling! It just all depends on how you look at the same things.

Judy Rudd an amateur genealogy researcher in southern Queensland, was doing some personal work on her own family tree.

She discovered that Prime Minister Kevin Rudd's great-great uncle, Remus Rudd, was hanged for horse stealing and train robbery in Melbourne in 1889. Both Judy and Kevin Rudd share this common ancestor.

The only known photograph of Remus shows him standing on the gallows at the Melbourne Gaol:

On the back of the picture Judy obtained during her research is this inscription: *'Remus Rudd horse thief, sent to Melbourne Gaol 1885, escaped 1887, robbed the Melbourne-Geelong train six times. Caught by Victoria Police Force, convicted and hanged in 1889.'*

So Judy recently e-mailed Prime Minister Rudd for information about their great-great uncle. Remus Rudd:

Believe it or not, Kevin Rudd's staff sent back the following biographical sketch for her genealogy research:

*"Remus Rudd was famous in Victoria during the mid to late 1800s. His business empire grew to include acquisition of valuable equestrian assets and intimate dealings with the Melbourne-Geelong Railroad.*

*Beginning in 1883, he devoted several years of his life to government service, finally taking leave to resume his dealings with the railroad.*

*In 1887, he was a key player in a vital investigation run by the Victoria Police Force. In 1889, Remus passed away during an important civic function held in his honour when the platform upon which he was standing collapsed."*

**NOW That's how it's done, Folks!**

**That's real POLITICAL SPIN !!**

## ***New Doctors in Town.....***

Two doctors, a psychiatrist and a proctologist, opened an office in a small town and put up a sign reading: *"Hysterias and Posteriors"*

The town council was not happy with the sign, so the doctors changed it to read, *"Schizoids and Hemorrhoids"*. Didn't work either.

So next there was *"Catatonics and High Colonics"*.

No Go!!

Next, they tried; *"Manic Depressives and Anal Retentives"*. Thumbs down again.

Then came *"Minds and Behinds"*. Still no good.

Another attempt resulted in *"Lost Souls and Butt Holes"*. Unacceptable again.

So they tried *"Analysis and Anal Cysts"*. Not a chance.

*"Nuts and Butts?"* No way.

*"Freaks and Cheeks?"* Still no go.

*"Loons and Moons?"* Forget it.

And almost at their wits end, the doctors finally came up with:

**Dr. Smith & Dr. Jones, ODDS and ENDS**

**Everyone loved it !!!!**
