President's Report

Money Matters

August 2010

Again my apologies for such a short report!

SMH readers may have seen my name splashed across page 3 recently and the ongoing legal battle is demanding most of my time.

There is very little race or club activity to report, although I have approached Group C&A regarding the possibility of combining the two clubs to give both a greater presence. If there is a positive reply, this matter will be put to a club vote at the AGM.

The club still has 6 entry stickers for the CMC Display Day at Eastern Creek on 22/8/10. This is a great opportunity for members to promote both the club and Historic Motor Racing. Entrants get to do display laps behind a pace car and help educate the public as to what Appendix J is all about. If you need a free entry call me or Dominic.

Upcoming events are FoSC at Wakefield on 7th & 8th August, Historic Winton on 13th & 14th August, CMC at the Creek 22nd August, MCM at EC on 4th and 5th September, and HSRCA's Wakefield to end our pointscore year on 18th & 19th September.

The Appendix J Association's Annual General Meeting is coming up on Tuesday

5th October. I made a mistake in last month's report by quoting the date in August!

New committee members are needed, so try to get involved here, the club is only as good as the input from it's members and those dedicated few on Committee!

Acting President

HSRCA Group 'N' Registrar & Secretary's Report & General Meeting Minutes, July 2010

Secretary's Report

Next General Meeting:

Tuesday August 3rd at Denistone Sporting Club, 59 Chatham Road, West Ryde. Phone 02 9874 3650.

Our July General Meeting, as you will see from the minutes, was not very well attended.

Members are urged to attend our general meetings and offer input such that we can improve our club.

CMC Display Day August 22nd Eastern Creek :
We need a few more cars for our display at this event.

This is an excellent opportunity to promote our club. You will also get an opportunity to do a few display

laps. If you can provide your race car please contact me ASAP.

Club Committee: Election time is coming closer. Dave Roberts is doing a terrific job standing in as

President, co-ordinating production of *Action-Line* and performing numerous other duties. However with other personal commitments he cannot continue much longer. Your club needs you. If you think you can be of assistance please talk to us

Wakefield Park September Historic Meeting

Eastern Creek November Tasman Revival

Wakefield Park 18th-19th September

This meeting is still some weeks away and unfortunately only two weeks after Muscle Car Masters.

Despite the proximity to MCM we are hoping for a reasonable grid of Group N cars.

Entries have been emailed to regular competitors or are available from the HSRCA web site hsrca.org.au. You can now enter on line.

Keep in mind this is a pointscore round.

Tasman Revival Eastern Creek November 26th-28th

Planning of the Tasman Revival meeting is well advanced. It will again be a 3 day meeting.

Most competitors should have received an entry form by email. There is an excellent web site www.tasmanrevival.com.au dedicated to this event. A number of Group N cars feature on the site.

It is well worth a look. The Goodwood Revival Prize was won by Peter Mahony a regular NSW competitor. There is to be an Art Union with the prize being a Lotus Elise, a fully refurbished and registered ex Lotus series car donated by Lotus Sydney.

Please support the HSRCA as it is the promoter who offers us the most opportunities to race our cars.

My contact details are listed on the inside front cover of this magazine.

Please note my change of email address to: dominic@durodent.net.au

Olympia Motor Speedway Maroubra N.S.W.

Maroubra Speedway, officially known as Olympia Motor Speedway was a motor racing venue in Maroubra. Opening in December 1925 the 1 mile banked concrete bowl was the scene of some large and successful race meetings before a decline in attendances saw the track close in 1927, but reopened many times in the 1930s.

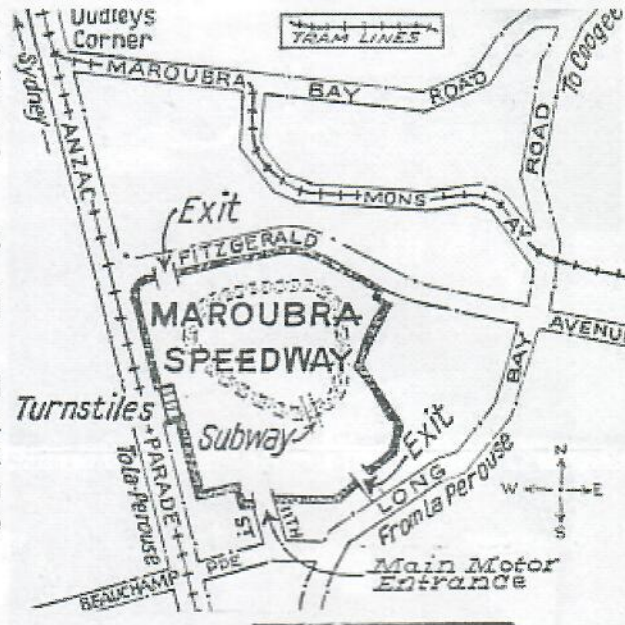

The official tablet states that the foundation stone was laid on the 3rd October 1925

Despite the banking being too steep to walk up it was still not enough for the speeds achieved, and four competitors lost their lives going over the top of banking. Three others also died at the circuit, two of which were motorcyclists. The "reported" crowd for the opening of Maroubra Speedway on the 5th December 1925 was 70,000.

The sensationalist media of the day dubbed it a "killer track" which did little to improve the fortunes of the venue.

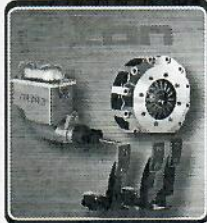

The speedway continued to operate sporadically in the 1930s but the meetings were not the large affairs held previously. The track was also used for club days, practice and record attempts.

By the 1940s the track was crumbling due to flooding and poor quality concrete and in 1947 it was demolished and a housing commission suburb was built on the site, with a park in what was the infield area named Coral Sea Park. Streets in the new area were named after Allied ships used in the battle of the Coral Sea

From the Editor's Desk

Hi Guys,

Sorry about the corny jokes, but I just couldn't help myself These are priceless! I do get some great emails, but the funniest ones aren't necessarily fit for publication.....we have to be PC and all that, don't you know?

See you all at Wakefield I hope .

Cheers & keep safe, Jules

Irish burial at sea.....

Mick and Paddy had promised their uncle Seamus, who had been a seafaring gent all his life, to bury him at sea when he died.

Of course, in due time, he did pass away and the boys kept their promise. They set off with Uncle Seamus all stitched up in a burial bag and loaded onto their rowboat. After a while Mick says, 'Do yer tink dis is fer enuff out, Paddy?'

Without a word Paddy slips over the side only to find himself standing in water up to his knees.'

Dis'll never do, Mick. Let's row some more.'

After a bit more rowing Paddy slips over the side again but the water is only up to his belly, so they row on.

Again Mick asks Paddy, 'Do yer tink dis is fer enuff out Paddy?'

Once again Paddy slips over the side and almost immediately says, 'No dis'll neva do.'

The water was only up to his chest.

So on they row and row and row and finally Paddy slips over the side and disappears. Quite a bit of time goes by and poor Mick is really getting himself into a state when suddenly Paddy breaks the surface gasping for breath. 'Well is it deep enuff yet, Paddy?'

WAIT FOR IT

'Aye 'tis,

NOW hand me da shovel.'

Thought for the day.....

Make it idiot-proof and someone will make a better idiot !!

Corny joke of the year !!!!

A man is dining in a fancy restaurant and there is a gorgeous redhead sitting at the next table. He has been checking her out since he sat down, but lacks the nerve to talk with her.

Suddenly she sneezes, and her glass eye comes flying out of its socket toward the man. He reflexively reaches out, grabs it out of the air, and hands it back. 'Oh my, I am so sorry,' the woman says as she pops her eye back in place.

'Let me buy your dinner to make it up to you,' she says

They enjoy a wonderful dinner together, and afterwards they go to the theatre followed by drinks. They talk, they laugh, she shares her deepest dreams and he shares his. She listens.

After paying for everything, she asks him if he would like to come to her place for a nightcap and stay for breakfast. They had a wonderful, wonderful time. The next morning, she cooks a gourmet meal with all the trimmings. The guy is amazed. Everything had been SO incredible! 'You know,' he said, 'you are the perfect woman. Are you this nice to every guy you meet?'

'No,' she replies. . . Wait for it. It's coming.

The suspense is killing you, isn't it? She says:
