# President's Report

A good field for FoSC at Wakefield in the cold. Minus 6 at the track walk while we waited for the fog to lift!

Thanks to Mal Brewster who helped all of us improve our lap times with his analogies to farming and horses! Thank Christ he's finally got rid of the sheep station! Seriously guys, if he can't help you, you must be blindingly fast.

Charlie ran his usual fast flowing meeting and I'm happy to report no incidents and everyone enjoying their racing. It's always a pleasure at these meetings; an overseas guest was amazed at the friendly atmosphere and camaraderie.

A huge Thank You to all those members who turned up to help promote the club and Historic Touring Car Racing at the CMC Day on Sunday 22nd August.

The Appendix J Association's Annual General Meeting is coming up on Tuesday 5<sup>th</sup> October. Included this month and in the next *Action-Line* are Nomination and Proxy forms for electing your new committee members. Try to get involved here,

The club is only as good as the input from its members and those dedicated few on Committee!

I need your help for Muscle Car Masters. The Committee has agreed to organize the parking for Group N on the back two rows of the skidpan. For those of you who haven't got a garage or carport it's the same as last year only better!

You can come in between 5 PM and 8 PM on Thursday night, 7 AM and 8 PM Friday and after 7 AM on Saturday. With your correct documentation the Security Team will direct you to a Club Member on the allocated area and he will assign you a numbered space. First come first served.

Your job is to set yourself up within the marked space and not overflow it. If you want to be with mates then I suggest one of you comes on the Thursday evening and claims the spots. This involves a big effort from the guys organizing, so make their jobs easier by being a little patient and possibly waiting in peak periods.

Remember they are Volunteers and want to get their racing organised as well!

Thanks in advance gents.

Tony and Matt from Wakefield Park have approached the club again with an offer to have an Appendix J Club area at the circuit, similar to what we had at Oran Park.

The idea is for two carports at the northern end of the first row of buildings from the tower. Just along from the Wakefield Office and the GEAR shed. This is currently a grassed area. We can put up signage and use this as a meeting area. There will also be some lock up storage attached. For this to work best it will probably involve Group N cars setting up in the current parking area behind the viewing mound. The mound is to be terraced and landscaped as well! Have a look at the area next time you go to Wakefield.

See you trackside soon,

**David Roberts**

# HSRCA Group 'N' Registrar & Secretary's Report & General Meeting Minutes, August 2010

## Secretary's Report

### Next General Meeting:

**Tuesday September 7th** at Denistone Sporting Club, 59 Chatham Road, West Ryde. Phone 02 9874 3650.

Our August General Meeting, as you will see from the minutes, was not very well attended.

September meeting is the Tuesday after MCM, our largest race meeting of the year, so there should be plenty to discuss.

Members are urged to attend our general meetings an offer input such that we can improve our club.

**FoSC Wakefield Park 7<sup>th</sup>-8<sup>th</sup> August** : There were plenty of laps for the entry dollar due to the low overall entry of 133 cars. Group N provided 29 which were split into two groups. David Wheatley [Nb Mini] received the driver of the meeting award following his achievement of consistent personal best lap

times. Mechanical problems saw only 19 Group N finishers by the last races on Sunday. Those attending reported an excellent well run meeting.

**Club Committee:** Election time is coming closer.

**The AGM is on Tuesday 5<sup>th</sup> October.** Please put this date in your diaries. Nomination and proxy forms are provided elsewhere in the magazine. Dave Roberts is doing a terrific job standing in as President, co-ordinating production of *Action-Line* and performing numerous other duties. However with other personal commitments he cannot continue much longer. Your club needs you. If you think you can be of assistance please talk to us.

## HSRCA Group 'N' Registrar's Report

### HSRCA Race Calendar 2010

Wakefield Park September Historic Meeting

Eastern Creek November Tasman Revival

### Wakefield Park 18<sup>th</sup>-19<sup>th</sup> September

This meeting is still some weeks away and unfortunately only two weeks after Muscle Car Masters.

Despite the proximity to MCM we are hoping for a reasonable grid of Group N cars.

Entries have been emailed to regular competitors or are available from the HSRCA web site [hsrca.org.au](http://hsrca.org.au). You can now enter on line. Entries officially close 27<sup>th</sup> August however late entries will be accepted.

Keep in mind this is a pointscore round.

### Tasman Revival Eastern Creek

#### November 26<sup>th</sup>-28<sup>th</sup>

Planning of the Tasman Revival meeting is well advanced. It will again be a 3 day meeting.

Most competitors should have received an entry form by email. There is an excellent web site [www.tasmanrevival.com.au](http://www.tasmanrevival.com.au) dedicated to this event. A number of Group N cars feature on the site.

It is well worth a look. There is to be an Art Union with the prize being a Lotus Elise, a fully refurbished and registered ex Lotus series car donated by Lotus Sydney.

Please support the HSRCA as it is the promoter who offers us the most opportunities to race our cars.

My contact details are listed on the inside front cover of this magazine.

Please note my change of email address to: [dominic@durodent.net.au](mailto:dominic@durodent.net.au). **Dominic Truelove**

Hi Guys,

Have you all thawed out yet? Goulburn in winter is not for the faint hearted is it? I can remember other occasions when I have been at a motorsport event down there in winter, when it was too cold for snow, but not for sleet. It's the kind of cold, which seeps into your bones....bbbbrrrrrrrr.

Anyhow, how did you all fare in the racing? Doesn't matter where you finish, the object of the exercise is to have some good old fashioned fun, so I hope there was plenty of that.

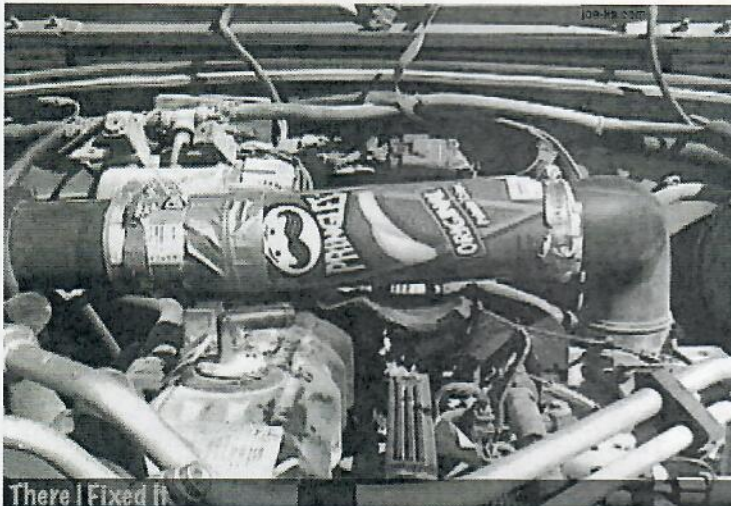

**Cheers & keep safe, Jules**

## ***There's just no end to them, is there??***

A not-too-bright but beautiful blonde was driving home one night when she was caught in a terrible storm. The hailstones were as big as golf balls, and her car was dented badly.

Next day at the auto shop, a repairman decided to have a little fun at her expense. "To fix the dents in the body," he said, "drive home, park the car, and when the tailpipe is cool, get down on your knees and blow really hard into the tailpipe, and the dents will pop out.

Later, a girlfriend of the blonde is driving by and sees her friend on her knees, blowing hard into the tailpipe. She asks what's going on and is told the story. The girlfriend laughs. "Well, duhhh! You need to roll up the windows first, silly!"

### *I Love My Job!*

I love my job, I love the pay!  
I love it more and more each day.  
I love my boss, he is the best!  
I love his boss and all the rest.

I love my office and its location, I hate to have to go on vacation.  
I love my furniture, drab and grey, and piles of paper that grow each day!  
I think my job is really swell, there's nothing else I love so well.  
I love to work among my peers, I love their leers, and jeers, and sneers.  
I love my computer and its software;  
I hug it often though it won't care. I love each program and every file.  
I'd love them more if they worked a while.

I'm happy to be here. I am. I am.  
I'm the happiest slave of the Firm, I am.  
I love this work, I love these chores.  
I love the meetings with deadly bores.  
I love my job - I'll say it again - I even love those friendly men.  
Those friendly men who've come today,  
In clean white coats to take me away!!!!
