From The PRESIDENT...

Firstly, I would like to thank Rob Tweedie for his efforts in the past year and hopefully I can contribute something constructive for Appendix J in 1988. I would also like to thank Marc Ducquet for outstanding effort in the past twelve months as the Trophy Marshall. I can't recall trophies as well presented and organised since being involved with Appendix J but by the same token I feel very confident that our new Vice President and Trophy Marshall, Bob Asher, will rise to the occasion. We all know what a demanding job the Trophy Marshall has and I think it is up to us to assist whenever we can. I was a bit concerned about the position of President but feel quite confident with the assistance of Lindsay Dive who as Secretary last year and only a member some 18 months, has stepped into the role like a natural. We have Dominic Truelove as Treasurer once again and as Dominic stated at the AGM "we're looking good". Laurie Donaher has been given the job of Social Secretary supported by Leigh Drennan and Syd Grevett. With this team I am sure we can look forward to some interesting socialising. I would like to see our General Meetings conducted more on a social basis rather than three hours of boredom. In future I would like to see everyone in the meeting room at 7.30 pm where refreshments will be available and meetings will begin at 8.00 pm sharp. Bruce Smith, our CAMS delegate and our entire Scrutineering Panel have been reinstated for a further 12 months. Keep up the good work.

I would again like to thank Bob Tweedie for his organisation of the 1987 "Finnair" Super Race and I am looking forward to Bob's involvement once again in June 1988. If CAMS don't come to the party with the Sponsor of the event, Bob maybe by then could approach Johnsons BABY Powder. Congratulations to Peggy and Bob, about time.

On December 13, 1987, we will be having a Children's Christmas Party at Lane Cove National Park. Santa has already been organised. Please bring a present for your children, to go into Santa's sack, clearly marked with their names and the value not to exceed \$15.00. A barbeque will be provided by the Association but please bring your own meat, salad, etc. and grog. Hope to see you all there for a Christmas Drink.

"EDITORIAL DOODLES"

As this is the last issue of Action-Line for 1987 I would like to take the opportunity on behalf of the Committee to extend to all Members and their Families our best wishes for a safe and enjoyable Xmas period.

Lots of information this month as follows:

ARDC are looking at removing free entry to race meetings, including Bathurst, as a privilege of membership. (i.e. - we pay like all the rest!) I suggest we all turn up to the ARDC AGM and voice our opinion on this matter. What is the point of membership if you get B. All for it?

Feb 2 1988 is an Extraordinary General Meeting at which changes to the Constitution will be voted upon and discussion regarding Incorporation will take place. Actual changes will be made available to you as soon as the Committee has agreed on the wording.

It has been drawn to my attention that two of our Club's Supporters have not been given the recognition they deserve. Their adverts will reappear next year. In the mean time I would like to Thank BEAMS AVE AUTOSPARES and CARPENTER ST AUTOSPARES for their continued support and urge all Members to support those who support us!

The 1988 CAMS State Council elections have taken place with the following people being elected for this year.

Chairman - John Cotter	Vice Chairman - Les Szoedy
Alt Delegate to NCC - Les Szoedy	Member - Sharon Taylor
Member - Alan Vaughan	Member - Mike Bell
Member - Colin Osborne	Member - Ron Chisholm
Member - David Croot	Member - Tiki Friezer

Remember that there is no January Club meeting nor is there a January Action-Line. Closing dates for the magazine are listed in the Club Calendar and will be adhered to. Committee take note!

Till FEB 88 - RON L

FROM THE

SECRETARY'S DESK

Well the AGM has come and gone. I thank those folks that have carried the banner for the past twelve months and I am pleased to report that we have a new President in Mike Dyer. I have known Mike for some 15 years and I KNOW that he will give 100% effort. Mike is to be assisted by Bob Asher as Vice President and Trophy Marshall. Another new member on the team is Laurie Donaher as Social Secretary who I am led to believe will be assisted by Leigh Drennan and Syd Grevett. I know that there is quite a bit of work involved in the preparation of Social Events so please give these fellas a hand whenever possible. It will certainly be appreciated. On that note don't miss out on the Christmas party at Lane Cove on December 13. Last year it was a ripper. We have a new Committee member in Greg Toepfer. I think Greg talks a lot of sense and his presence will be noticed. There were some end of season trophies awarded at the AGM. Greg Toepfer once again is Driver of the Year, good on va mate you deserve it. Ken Brigden has been voted as the Sportsman of the Year and I might add the Gentleman of the Year, well done Ken.

By the way, I think it's about time to change the date of the AGM. The first Tuesday in November clashes with a very important horse race and by the end of the day it appears that nearly everyone is half tanked. enough said.

There is to be an Extraordinary General Meeting on February 2, 1988. to discuss the possible changes to the present Constitution and possibly the date of the AGM. These proposed changes will be printed in the near future in this magazine. Please make an attempt to be at this meeting. Your say is vital to the future management of this Association.

Once again renewal of membership is due in December - shock, horror, there has been an increase in fees - \$30 membership and \$5 joining fee. If you have forwarded any monies to the Treasurer, Dominic Truelove or myself, for renewal of membership please forward the EXTRA money or your membership will not be processed.

I believe that nearly all competing members have received supplementary regulations for the MG Car Club's Historic meeting in January. If you haven't received these and you would like to enter please contact me.

I am pleased to report that Marc Ducquet has been appointed a member of the newly formed Motor Racing Panel (CAMS). I know that Marc spends many of his own hours for OUR motor racing and I thank him sincerely for his input.

That's about all for now, see you at the track.

REGARDS - LINDSAY DIVE

ARE YOU ELIGIBLE

Well here we are on the subject of tyres again, for a change. I have been in contact with both Victoria and Queensland and we agree that the TYRE RACE is getting out of hand. Being involved with the Group E tyre list we are part of an unwanted tyre war where the price is no object.

Rumour has it that there is a new Formula R and Bridgestone tyre on the way that is so close to a slick it is not funny and priced accordingly.

At this rate the average Appendix J Racer will have to pick his meetings to conserve the cost of running at each meeting. We all know that we have to field a full grid to keep the interest of the promoter and thus guarantee our continued future.

Listed below is an agreed list (interstate) of tyres for future use for Appendix J:

- 10" Yokohama GX 501
 Bridgestone S310
 Dunlop J2 Le Mans

- 12" Bridgestone S370
 Dunlop J2 Le Mans

- 13" Yokohama SX 703
 Bridgestone S370
 Dunlop J2 Le Mans

- 14" Yokohama SX 703
 Bridgestone S370
 Dunlop J2 Le Mans

- 15" Yokohama AX 321
 Kleber V12 GTS
 Bridgestone S370

Both Victoria and Queensland have put this matter to a vote and both have found about 80% in favour of this list of tyres. Included in this issue of "ACTION LINE" is a voting slip for you to complete and return to ME at 29 Cormack Road, Beacon Hill 2100. Please endeavour to return these voting slips within seven days of receiving your magazine so a definite decision can be made interstate.

Yours isscrutably - MIKE DYER
