DISCLAIMER:

Any opinions published in this journal should not be regarded as being the opinion of the Club or the Committee which also cannot accept responsibility for the accuracy of any information in the journal which is published in good faith as supplied to the editor.

FROM THE PRESIDENT...

With the arrival of our AGM it may be my last chance to report in this magazine as President. Therefore I will take this opportunity to thank the Committee for their assistance and support throughout 1988. Special thanks to our Secretary Lindsay Dive for his typing and letter writing skills. As you have probably noticed, not one of my better points. I would also like to thank Noeline and Laurie Donaher for their efforts with the Barbeques and Raffles etc. and with the help of Syd Grevett and Leigh Drennan I think it has proved very successful in keeping the social side of the Club together.

I would like to welcome the new Committee. I know the Club will continue to prosper and promote fun racing in 1989.

Don't forget our new editors will need your support to provide material for Rob Tweedie to publish. The magazine is our communications link to each other and to other organisations.

We still have a few race meetings this year so lets try and fill the grids!

I hear there is a record entry for Group N in the All Historic meeting at Oran Park. Maybe we will steal the show again. The Adelaide Grand Prix is really coming alive for Group N as we are the only category getting two races during the event. Good Luck to the guys competing - Bruce Allen, Allan Barrow, Ken Brigden, Lindsay Dive, Marc Duquet, Ron Lighton, Dennis O'Brien, Brad Tilley, Greg Toepfer, Steve Travica, Rob Tweedie and myself. Reserves are Frank Dartell, Bob Asher and John McGill.

Don't forget the AGM was your chance to have your say - I hope you all did.

See you at the next meeting.

REGARDS - NIKE DYER.

EDITORIAL DOODLES...

As the astute amongst you will have noticed this month's magazine has hit an all time low for being late. However it has made it to press so near goes. Yes I did enjoy my two week holiday either because or inspite of it all being tied up with motor racing.

Thanks to all of you from Marg and I for your comments about, input to and criticism of our Editorship of "Action - Line". We enjoyed doing it and hope you the Members got as much fun from it as we did. Please, please help your new Editorial panel and the Publisher. Every little bit of input ON TIME helps make the job so much easier. Rob has said he will print blank reports if necessary! We will be helping out with the magazine as needed until year end.

Elsewhere published you will find a list of the new 1989 Committee and Office Bearers. The Committee has already some ideas for next year which you will hear about in short time I am sure. It would be remiss of me not to thank the retiring members, Bob Asher, Laurie Donaher, Dominic Truelove and scrutineers Lloyd Cleaver and Peter Sugden for their efforts this year. The Club runs on its volunteers and these people have been contributors for a long time. Enjoy your retirement guys. A special word to Dominic: I hope to keep it looking good for another twelve months mate!

A gentleman at the AGM - Russell Johnson - would like to know if anyone at race meetings would like a hand. Russell said he can get to most meetings and whilst not terribly technical thinks he may be of use. His phone number is 042-67-4063.

It is a sad day when we cannot field enough entrants that our racing gets cancelled. ARDC October 16 meeting has withdrawn Group N due to lack of interest. The last few Clubbies have only just survived due to the efforts of Mike's phone list and the good old regulars. Where is everyone else. That is you I am talking to, yes you the ones who just said I had a good reason - did you have a good reason last time. TV coverage and big prizes bring you out. What ever happened to racing for the fun and enjoyment!

Enough of my soap box - aren't you all pleased this is my last Editorial. Suffice to say good luck to the new panel and see the rest of you at the All Historic '88

TILL NEXT MONTH - RON L.

SECRETARY'S REPORT...

Doesn't time fly when your having fun. This is the final report from the Secretary this year and it certainly does not feel like I have been doing this job for two years. If there had been anyone out there who had wanted the job I would have guaranteed them a free and easy run through the elections. Oh well such is life!

On a more serious note I would like to thank the present Committee for their work over the past twelve months. It has been a very smooth year for us with only a few minor dramas. We have a host of new log books coming along. We have money in the bank (and looking good). We have new members and I for one am looking forward to 1989.

I am concerned over the matter of Lakeside races being cancelled due to noise problems. I hope that the Queenslanders can get their act together and reduce the noise output of their cars. I know for a fact you can fit an off-the-shelf muffler on a car and not affect the performance.

Our Xmas party will be held at Lane Cove River Park again this year. The date is the 27th November and we shall endeavour to secure the same area as last year. I can only say it was a ripper last year and if the weather is kind to us we will repeat the performance this year.

Ron Lighton has decided to hang up his typewriter. I must thank Ron for his work in the past 12 months. It is a very demanding job, one that requires quite a few hours each month so don't forget to support your new magazine team. Ron and Margaret did a magnificent job - well done. Personally I thought Margaret would have made a good secretary - maybe next year????

By now you will probably be aware that Group N was dropped from the Aaroo Clubbie of Oct 16 - well done everyone - more about that next month!

REGARDS - Lindsay.

ELIGIBILITY REPORT

I am pleased to report that I have had official notification from CAMS that a CAMS funded meeting for all Group N Eligibility Officers will be held in Melbourne on Dec 3.

It appears that CAMS are going to spend some money - maybe they are fair dinkum this time.

For all those competing at the All Historic '88 I would like to see an effort put into presentation of the vehicles. We don't want to promote a speedway image in the minds of the "true" Historians. This is a good meeting to present Group N to the public as Pre 1965 Touring Cars should be.

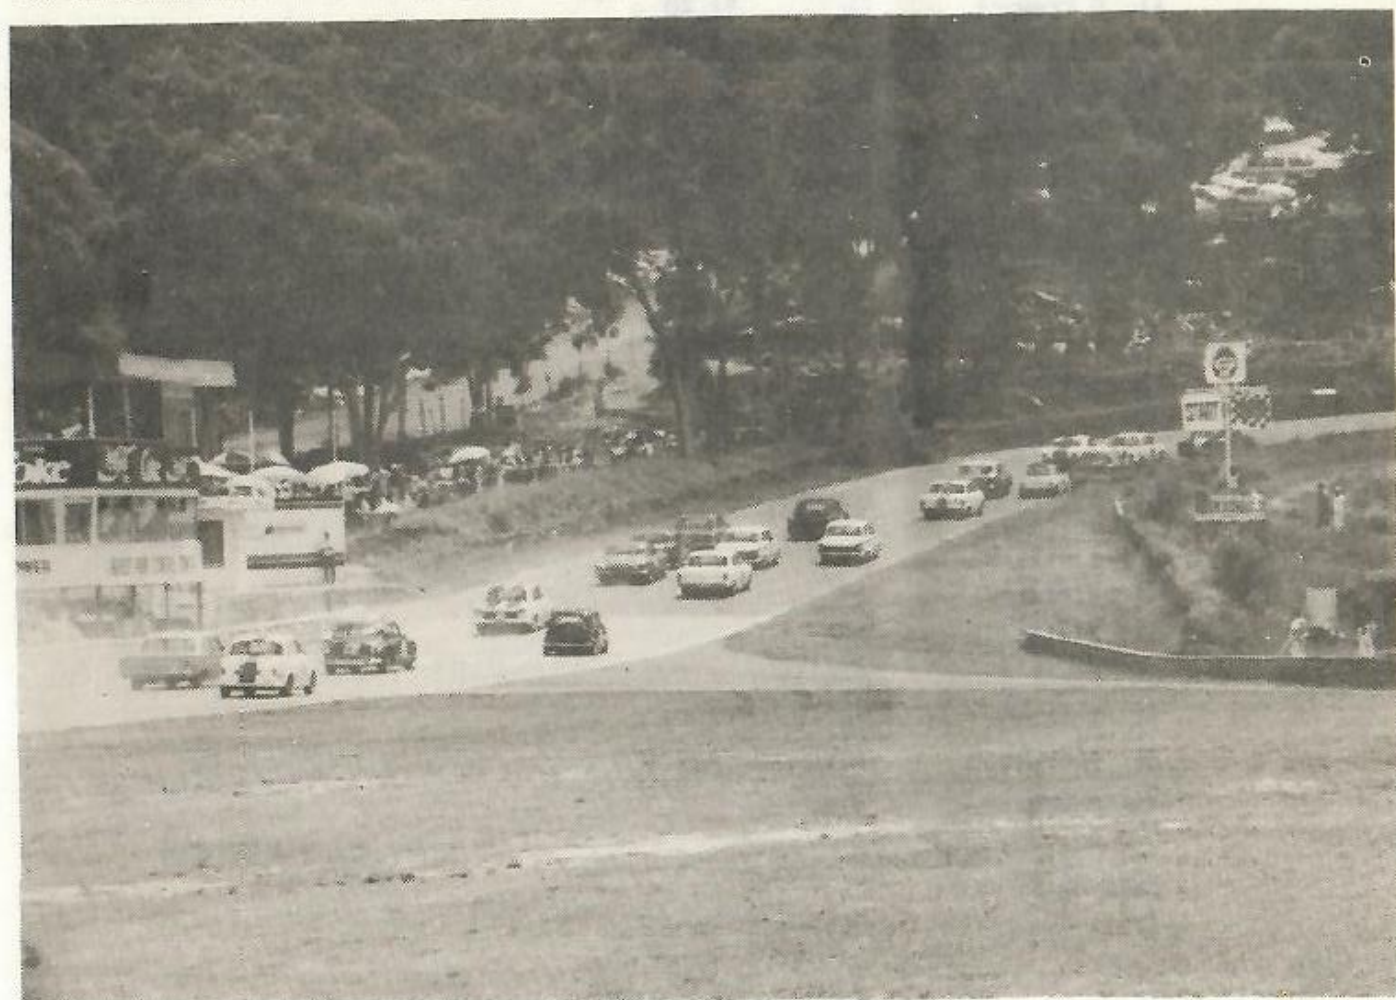

REGARDS - MIKE DYER

PHOTO BULLETIN

July 1988

Now that we are well into the '88 season, now is the time to think about next year's sponsorship proposals.

I'm happy to offer discounts to regular customers (based on previous volume) and always offer discounts for large or multiple orders.

As I am continually shopping for the best in both cost and quality for my printing, my prices have remained more or less stable for three years and still provide, I believe, the best value around.

Don't forget too, that I have a large range of transparency material suitable for colour printing, again at very competitive rates.

Framing, non-standard sized prints and cropping can all be achieved with a minimum of fuss - just ask.

Clubs can be supplied FREE prints for use in magazines, journals and programmes - again, just ask.
