Stewie goes for gold !

February 2011 President's Report

Greetings one and all!

So here we go with a brand new year! Hope you all had a safe and happy break and are rearing to go racing again.

Want to see lots of you at FoSC's Wakefield meeting on Feb 11th - 13th. Charlie is accepting late entries so no excuses [it's too bloody hot etc] get your entry in! The legal wrangle with Goulburn Council over bushfire protection means the Club's new shed probably won't be finished, but that's another story!

The Tasman was a great meeting with close racing throughout the group and no incidents reported. Thanks to Warren Weldon and Mal Brewster for taking their time to present the Club Trophies. Both made heartfelt speeches praising you guys and your efforts! Thanks also due to Dominic and Terry T for the parking mark up, and Dave Wheatley for policing the park up on Thursday morning for me.

Thanks again to our sponsors, Cleaners Warehouse [Max] and Rev Doctor [Scott], for their contributions to the Tasman Prizes.

The annual prize giving and presentation night was a huge success, especially Lucky Phil's presentation to Burnsey, our new Club Champion.

Whilst in the US I visited several car collections and manufacturers, so look forward to my reports and photos in future issues of *Action-Line*.

The skiing is done and the fire breathing Imp head is almost finished so I'll see you at the track!

Dave Roberts,
President

Secretary & HSRCA Group 'N' Registrar Reports & General Meeting Minutes, December 2010

Secretary's & HSRCA Group 'N' Registrar Reports

This has been a quiet period so very little to report. Try to be at the meeting and have some input into the running of our club.

FoSC has a meeting at Wakefield Park on 11-13th February. HSRCA also has a WP meeting on 26-27th February. This means lots of laps to start the 2011 year. These are rounds 2 and 3 of the 2011 pointscore.

I am sure the promoters will accept late entries. Warren Bossie has advised there are 30 plus entries for the support races at Bathurst 12 Hour Event February 5-6th. This is **not** a pointscore round.

As most members will be aware the FoSC Easter meeting this year will be held at Eastern Creek.

Membership Renewals were due **31st December 2010**. Please complete the form and return it promptly with payment. Keep in mind that you need current CAMS affiliated club membership to compete at events run under a CAMS permit.

Tasman Revival Eastern Creek November 26th-28th

There were 50 Group N entries for this event held over 3 days. Sunday afternoon at 4.45pm was our final and trophy race for the weekend. As it was our only race on the Sunday a number of competitors elected to go home on Saturday evening. There was heavy rain for the last few races and many more elected not to run.

There were 22 starters and all finished. In Nc Vince Macri [Torana] drove a brilliant race to finish ahead of Daniel Kennedy [GTHO] and Steve Land [Capri]. Victor Waterhouse was the star in Nb with a great drive to finish well ahead of Darren Burnes and Ben Tebbut [Mini's]. Initial reports from the organizing committee indicate the meeting to have been a financial success.

For those of us interested in Historic race cars there was plenty to look at and admire. This was our first pointscore event for 2011 and the results appear elsewhere in this edition of *Action-Line*.

General Meeting Minutes - 7th December 2010

Meeting commenced at 8pm.

Attendance: 28 members signed the attendance book.

Apologies: Terry Thompson

Visitors: Fadi Elazzi

Acceptance of Minutes: [as published in *Action-Line*]
Brian Jessop; Andrew Pursey

Matters Arising: None

President's Report:

Dave Roberts thanked members for their attendance at the presentation evening.

Dave announced that the FoSC race calendar for 2011 has been published. He stated that the meeting at Eastern Creek at Easter would include historic motorcycle racing with some side-car events. Overnight camping would be available at ECIR.

He explained that the event at Bathurst at Easter was being run by Yeeha and that Group N were not invited for regular racing, but that we may run in Regularity events.

FoSC event at Wakefield is 11th to 13th February. Wakefield is building new car ports. The Appendix J shed will be commenced shortly, but may not be ready for the FoSC event in February due to Goulburn Council red-tape.

Dave wrote to the ARDC to suggest at meeting on 15th May, for a reasonable fee, to include Group C & A, and Group N & S. More information will be available in the next magazine and on the website as it becomes available.

CAMS have ongoing issues with F1 regarding running at the Australian Grand Prix. They are "fighting" with AASA regarding officials. A resolution was passed by CAMS that CAMS officials cannot officiate at AASA events due to a conflict of interests.

Secretary's Report:

Dominic received notification of the Gnoo Blas show and circuit tours in the mail, together with a copy of the WA magazine.

Treasurer's Report:

Dominic Truelove reported that the financial statements for 2010 had been audited and found correct.

The cheque account balance is \$ 5,924.38. On-line saver is \$18,835.06.

Dominic announced that Julie Williams has been appointed at Manager of Membership Records.

Please remember that membership renewals are due 31st December.

Andrew asked whether CAMS had contacted Appendix J about their "Come and Try" day at Eastern Creek. He stated that he had asked Mike Barry to send some information and to make contact with Dave Roberts.

Dave Roberts announced that he has been approached to join the Historic Commission and that the result may be a better voice for "Tin Tops".

Raffle: The raffle (Tool Box) was won by Greg Luca, and (weekend away) by Ken Brigden.

The meeting closed at 8:45.

My Bit.....by Jules

Well, here we are for yet another year of scintillating fun and games;.....the motor racing I mean !

And I'm busier than a 'one-armed paper hanger' because I'm wearing several hats.....well, just two where you boys are concerned. I have the magazine to do and I've taken on the job of managing your membership bits and pieces. So, now you ask "why would you do a fool thing like taking yet MORE work?"

Well, it's like this, I retired in June (officially an old chook now) and having worked for over 45 years in an office, I was lost without something to do or someone to complain about, so here I am. Back for another year.

Lots of racing coming up starting with FoSC at Wakefield in a couple of weeks. We were hoping the Taj Mahal (our new shed) would be finished by then, but I guess we'll have to wait a little longer. Just so it doesn't take as long as the real Taj Mahal to build; but then again where your local council is involved you just never know.

See you soon, **Jules**

Texas logic.....

Seems a guy cruises through a stop sign, or whatever, and gets pulled over by a local policeman. Guy hands the cop his driver's license, insurance verification, plus his Concealed Carry Permit for a weapon.

"Okay, Mr. Smith," the cop says, "I see your CCW permit. Are you carrying today?"

"Yes, I am."

"Well then, better tell me what you got."

Smith says, "Well, I got a .357 revolver in my inside coat pocket. There's a 9mm semi-auto in the glove box. And, I've got a .22 magnum derringer in my right boot."

"Okay," the cop says. "Anything else?"

"Yeah, back in the trunk, there's an AR15 and a shotgun. That's about it."

"Mr. Smith, are you on your way to or from a gun range...?"

"Nope."

"Well then, what are you afraid of...?"

"Not a damn thing..."

Sign of the Times.....

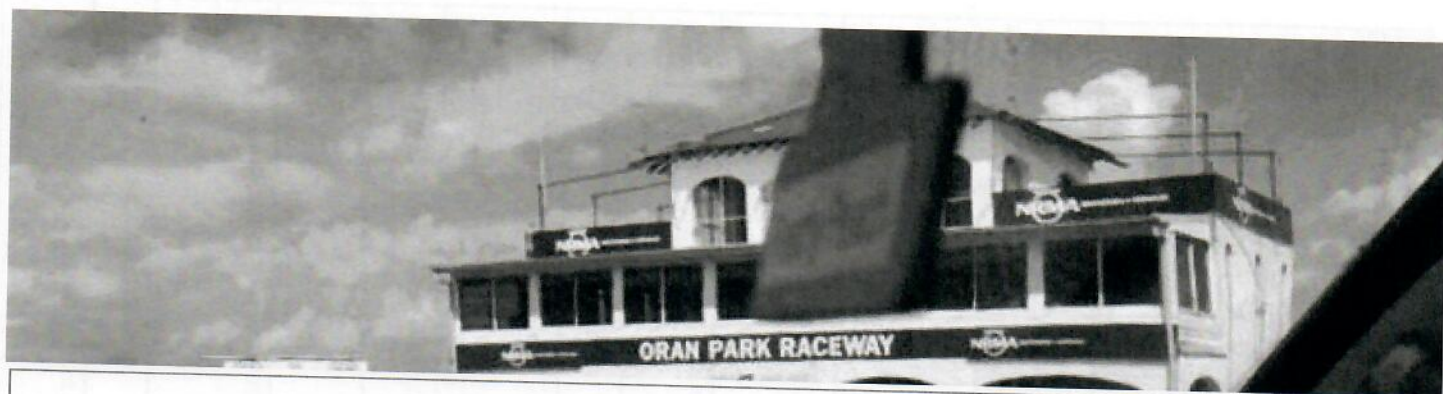

Even Dogs Do IT...

"THE COMPUTER SAYS I NEED TO UPGRADE MY BRAIN TO BE COMPATIBLE WITH ITS NEW SOFTWARE."

I asked my dad where the children came from, he said people download them from the internet!
