EDITORIAL

Starvation seems to be something that Australians know little about in modern times. Not so for the Mexicans.... they appear starved of Group N open race meetings. Judging by the 40 plus entry list for Phillip Island, this must be one of the few meetings this year that they can reasonably attend. Let's hope that it does not go this way in NSW and the only way is for full fields at race meetings and then close racing.

From the recent Amaroo Park coverage by TV, Group N is no longer favoured for this type of exposure. Maybe that's a good thing. I would be interested to hear some views.

Finally, the continued absence of reports from either race meetings or committee positions is a perennial problem for Editors. If you have something to say... then say it!

Regards,
Tom Amos

CAR SHOW 1990

The Association has been invited to display some vehicles to aid the club at the Parklea Markets Car Show 30th March - 1 April.

The display will be for up to 4 cars, so if you wish to help in either the setting up, manning or dismantling of the stand, see Rob Ingram, the club PRO who is organising the event.

ELIGIBILITY

As foreshadowed last month, a number of redefinitions and clarifications of the rules have been announced by CAMS. The MARCH issue of the CAMS Report carries 2 pages of clarification to the Manual rules. If you have any doubts, call Mike Dyer, the NSW Eligibility Officer. In the meantime, read the CAMS Report.

NEW HOME

In future, all Appendix J meetings will return to Burwood RSL, 96 Shaftsbury Road, Burwood. This is a central site and meeting dates are published elsewhere in the magazine.

It should be remembered that the meetings start at 7.30pm and finish by 11pm with everyone to be out of the Club shortly after the 11pm time.
