Race Report:

Round 2

FOSC One Day

Sydney Motorsport Park

North Circuit "Druitt"

21st February 2016

Photos and Story: Steve Pitman

Well we have progressed into the first quarter of 2016 and Group N have completed 2 events, the first was the 1 day FOSC event on very hot Druitt circuit at Eastern Creek. I won't bore you with specific results, but provide an overall summary of the event, highlighting stand out competitors and any significant issues that evolved during the day of competition.

A negative feature of the event was the attrition rate with many DNF results as a large number of vehicles suffered reliability problems. Maybe it was to hot or too early in the year and we were still coming to terms with the holiday break as the preparation of the cars were not up to our usual standard. The Wright boys made an early exit likewise the Lenstra team; also on the list was the Camaro of Andrew Taite with a non-functioning gearbox after an excellent qualifying effort. Several other competitors suffered differential and head gasket issues.

Race 1

Began with the NC brigade Wayne Rogerson was out in front followed by Cam Worner, Chris Obrien and John Burke. The best of the NB competitors were Bob Munday, Graham Russell, and Paul Tierney in the Torana.

Race 2

The progression in this race saw 3 different leaders in the initial laps Cam Worner was out in front, next lap Chris Obrien managed to be in front, but it was the ever prevailing Wayne Rogerson who was able to push through to eventually take over the lead, runner up was John Burke and rounding out third position, Cam Worner. NB driver Bob Munday in the Mustang finished a commendable 4th position outright accompanied by Graham Russell and Jared Cox.

Race 3

Virtually a carbon copy of the first event with Wayne Rogerson commanding the front of the field again in front of Cam Worner and in third position John Burke, Chris Obrien failed to start. Bob Munday, Graham Russell and Paul Battersby headed the NB field.

Race Report:

HSRCA

Wakefield Park

Summer Meeting

28th February 2016

HSRCA Wakefield Park All Historic Summer Race meeting.

Well it was a wet start to the second group N event of the year with practice and qualifying on Saturday morning, a brilliant wet weather drive by the leading Holden Torana's of John Wright, qualifying on pole then to Warren Wright (Torana) to occupy second position and Bill Attard (RX2) rounding out third slot. Race one was also a wet weather affair with an exceptional driving master class by leader John Wright's Torana leading the pack home by a huge margin of over 14 seconds in the 5 lap race over second place Bill Attard's RX2 which just knocked off Warren Wright finishing third just in front of the hard charging Capri of Tony Land.

Race two presented a dry track for the rest of the meeting and allowed the larger Fords to flex their muscle and push past both the Wright Torana's. The GT Falcon of Chris O'Brien climbed up the ranks to finish in 2nd place followed by the Capri of Tony Land in 3rd, Race two was convincingly dominated throughout by Bill Attard in his Mazda RX2 taking the win.

Race three saw a convincing drive for the lead by Bill Attard in his lightning quick RX2 and the positions remained mostly unchanged from the previous race until Tony Land had a couple of excursions in his Capri allowing the twin Wright Torana's past eventually finishing the Capri in 5th place.

Race four on Sunday morning saw the return of Ben Wilkinson (Mustang, sidelined before race 1 with a differential failure), Wilkinson as expected drove his Mustang well from rear of grid to join the leaders in 3rd position just behind John Wright (Torana) in 2nd place and the leading RX2 of Bill Attard. As Wilkinson enjoyed a rise towards the top, Chris O'Brien in his Falcon GT suffered the opposite with problems pushing him down to position 7.

Race five Sunday resulted in the most consistent cars and drivers in this event cementing their positions. Bill Attard (RX2) secured 4 wins from 5 starts, John Wright's Torana finished position 2 and confident driving from the Capri of Tony Land rounding out the top three. The big Falcon GT of O'Brien and Mustang of Wilkinson unfortunately scored DNF's after promising earlier results. Well done to all the Group N competitors on a great driving display – little of no problems or collisions at this event. A big thank you to Richard Cardew from HSRCA and his team for organising a 'well oiled' friendly, fast moving and enjoyable event.
