BATHURST 1992

With Bathurst on for 1992 the Association is looking for people who are prepared to assist in organising some of the support services for the race. Such things as Tents, BBQ and trophies are all special for

## EDITORIAL etc.

With Bathurst coming fast up some fund raising activities have commenced to cover both the club events and some social activities the Association has planned. The first is a "thousand cans" competition with inexpensive tickets but with the hope that lots are sold! The proceeds of the competition will be put towards trophies and other social activities. Every member's support would be welcome.

The second Historic race of the Hesonne Tri-state series was run last month at Lakeside. Again, a large field attended and the racing was hotly contested in all classes. Results and a progressive pointscore are in the competition report.

The final round of the series is the Historic meeting at **Eastern Creek** in September. This should be a very good meeting and the club is, in association with the HSRCA is feature attraction at the meeting. There is pre '65 touring cars meeting focus and in keeping with the theme the Association is inviting a number of racing drivers of the era to attend the meeting as our guests.

We will provide a hospitality area in the far pit end garage area and the Association has been allocated the tar area near the dummy grid and behind the garages for a car display and for competitors to park their vehicles. It all looks very promising at this stage for a great day.

Not everything is going as well as the HSRCA meeting.... It looks like our invitation to the Adelaide GP meeting is evaporating and we will be replaced by Formula Ford. Robert Tweedie has worked long and hard at securing us a spot and it is a bitter blow that after being assured of a start we lose out yet again, even with a sponsor. All we can do is keep on trying.

On a final note, the Association is currently assessing how we can gradually increase the membership and the cars that are running. When expanding the category was discussed at the last general meeting it was generally felt that the Association, at this stage, did not need to expand the vehicle eligibility years... only the numbers, and we now need to follow through if the quality of racing we now enjoy is going to continue.

Regards,  
Tom Amos

### Bathurst

The list of interested drivers for Bathurst is published below. Please check that your name is on the list. If not, notify Tom or myself immediately.

There are 10 nominations from Queensland, 18 from Victoria and 3 from Western Australia. We are yet to be notified of the grid size by the ARDC. Depending upon the grid size, the committee will suggest to the ARDC those drivers that should receive entries. This will be based on previously published criteria.

We are negotiating with the ARDC for a second practice session. It may be that we will not race on Sunday morning. There are discussions regarding a celebrity race for the Sunday. We should know final details this week.

### Eastern Creek August 1-2

As you are aware the Group A Endurance Race is no longer scheduled.

Group E and Sports Sedans will now be the main attraction (apart from J cars that is!) - also FF, F2 & HQ's. It will be very worthwhile supporting this event, not only to use as practice for the Historic but also because we will have 2 six lap races and two 20 minute practice sessions on Friday and 2 on Saturday - all for \$125. There will be a grid size of 44.

Please note that you have several races left to gain an advantage for the Bathurst entries - Eastern Creek Historic and the last Amaroo Amscar.

**EASTERN CREEK HISTORIC**

**12/13 SEPTEMBER 1992**

**ENTRIES OUT NOW!**

This meeting will be our premier club event for the year (as was Warwick Farm).

The organisers have set aside an area behind the garages on the asphalt for Appendix J cars.

"Golden Oldies" will also be invited along for the weekend.

The event will also double as an Appendix J exhibition.
