BATHURST 1992

With Bathurst on for 1992 the Association is looking for people who are prepared to assist in organising some of the support services for the race. Such things as Tents, BBQ and trophies are all special for Bathurst so if you wish to help see Syd or Rob Ingram

EDITORIAL etc.

Over the next few months a number of major races are planned leading up to Bathurst and possibly Adelaide in November. Along the way there are two important race series, the Hesonne Tri-State series which involves some travel to far and distant places like Mexico and the deep North and the local ARDC Amscar rounds.

Mexico is long gone and the next race for the Hesonne series is at Lakeside on the weekend of June 20. Bill Westerman, an honorary banana bender of some note, assures me that the Queensland Association will host a most memorable weekend for those who make the trek with all the local colour and fruit (viz prawns etc) ripe for jaded NSW picking.

The race track is not that bad either and for those who have not made the trip before then I can recommend it, bumps included. This is the second round of the Tri-State series with the final round to be held here at Eastern Creek in September. First round results are elsewhere in this magazine.

The Amscar rounds need no introduction and the second round is on May 10 at Amaroo. The field looks very good again even though it is Mothers' day. Lucky all those running have no mothers ... or was it fathers! Like the first round this round counts towards Bathurst so if you missed it then look out for the next round in August. Bathurst is in October.

Speaking of Bathurst those who would like to help are welcome, particularly in assistance in the organisational areas. See Syd or Robert if you can help as it would be appreciated.

This month I promised myself not to talk about tyres but I could not resist when I heard a hot rumour that there were Nice Guy poppy specials on slightly used 15 inch 60 series tyres and thought I should pass it on for all those who need some good low profile trailer tyres.

Regards,
Tom Amos

P.S. Would someone who competed at the APRIL 5 Oran Park, NSWRRRC Restricted race meeting please forward a set of results to me for publishing in next month's

COMPETITION REPORT

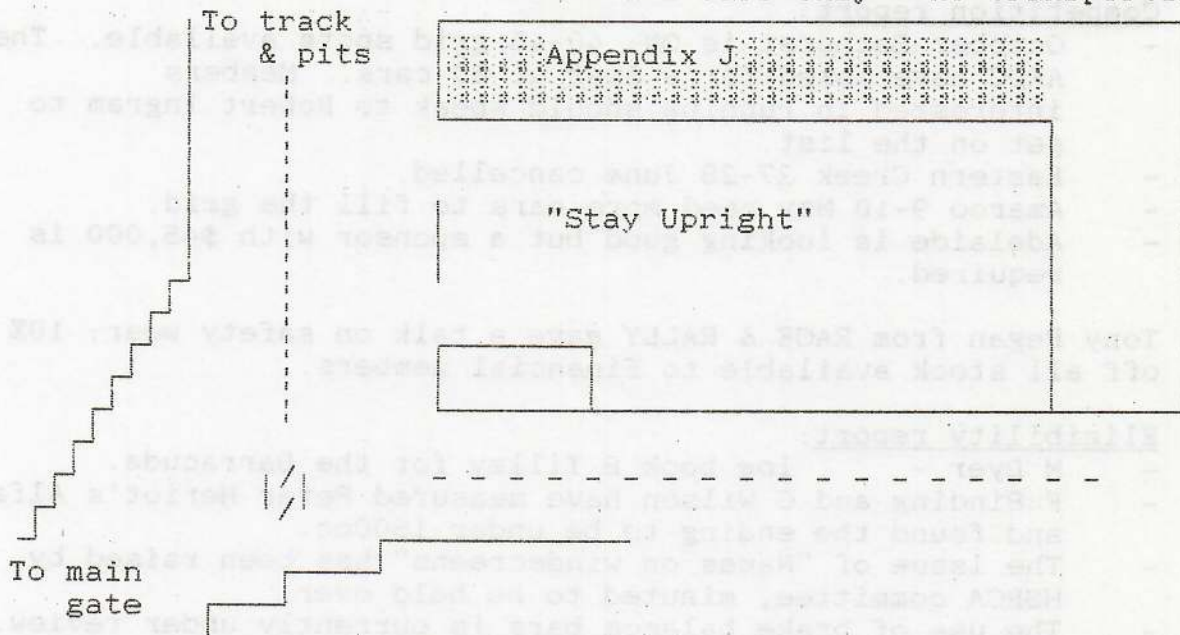

by THE DROVERS DOG

(Robert Ingram)

Amaroo, May 9-10

All competitors for this AMSCAR round should note that an Appendix J area has been set aside on the top paddock where the Group A entourage usually camps. It is essential that all competitors without private garages pit in that area, otherwise it will be difficult to negotiate with the ARDC in future for such spots:

NB: Race cars only - no transporters

Adelaide

Please notify Tom Amos or myself if you wish to be added to the list of competitors for Adelaide. Unless there is any recent news from No More Mr Nice Guy, an invitation is still provisional.

Bathurst

Below is the current list of NSW drivers for Bathurst. Keep the expressions of interest coming in. Some drivers notified me of their interest at the last General Meeting. I lost the list! If your name is not in the list below, please advise me again.

POINTSORES

Just an update on what was in the April Action Line. If there is more than two races over a weekend we sometimes run a pointscore over all the races. Handicap races do not count at all and if a pointscore is not run we pick the two longest races including the trophy race, ie a 10 lap and 12 lap races but not an 8 lap race.

Historic race meetings interstate

When an historic meeting is held interstate on the same weekend as a pointscore meeting in Sydney, the driver who enters the Historic interstate meeting will get points in the club championship for entering that meeting because we are an Historic racing category. Points are awarded on their position in the race.

YOKOHAMA CUP 1992

David Beveridge claims he has been running on Yokohamas since the beginning of the year, so it was decided in all fairness to award him points. This has affected some of the top order drivers in the Series. Please accept my apologies.

Just a reminder if you run Yokohama tyres in open events you will receive full points the same as club events.
