

Interim Newsletter of the
APPENDIX J ASSOCIATION OF NSW

JANUARY 1992

TYRES FOR 1992

It has been resolved that tyres for all Open & Interstate meetings are to be to the Group E list and for club meetings the Association will continue to support the use of a single make tyre. The initial tyre is the Yokohama 707/704 series for club meetings.

Thus, tyres for the January Historic meeting are as for all Open meetings.

HESONNE INTERSTATE CHALLENGE

The Association is pleased to announce the sponsorship of an Interstate competition by Hesonne Engineering. The series will consist of a three State Challenge.

The first event is Phillip Island in March. Entries are now open and should you wish to enter, telephone Mr D Doubtfire AH (03) 890 4677.

The Challenge will consist of three events:

Castrol Classic, Phillip Island	8 March
Lakeside Historic	21 June
Eastern Creek Historic	13 September

Points will be awarded on an outright and class basis for each event and overall points will determine the winner(s).

More information soon.

On behalf of the Association I would like to take this opportunity to thank Noeline & Laurie Donaher for their continuing support.
