Dear Nic

I have enclosed the trophy that Bob Asher won at Maffra District Car Club hillclimb on 13.2.72.

I was the competition Secretary of our club at the time. I have looked after the trophy ever since.

Neville Chambers has included three photos of Bob taken at the hillclimb.

It is really good to finally get the trophy to somewhere it belongs. It has been the only one I was never able to deliver.

Yours Sincerely

Pam Gargan
